5 Years of Confidence with PowerGard™ Protection
Every John Deere Compact Utility Tractor leased through Hunt Forest Group comes with PowerGard™ Protection, offering a full 2+3 year coverage - that's standard warranty plus extended protection. This plan is designed to keep your machine performing at its best, with proactive maintenance that helps prevent downtime and costly repairs. It's peace of mind built into every lease.

Maintenance that Works as Hard as You Do
Included in the package is a 5-year maintenance plan that follows the official John Deere service schedule. From oil changes to inspections, every detail is covered to ensure your tractor stays in peak condition. With expert servicing aligned to manufacturer standards, you can focus on your land while we take care of the machine.

Flexible Leasing, Predictable Costs
This Operator Lease Package is structured over 60 months, giving you manageable monthly payments and long-term value. Based on 250 hours of use per year, it's ideal for consistent workloads. This plan offers a smart and secure way to invest in John Deere quality.
