Stop & Start System⁶

*5 year / 125,000 mile warranty (whichever comes first) applies to all new Isuzu D-Max models. **3.5 tonne towing applies to all 4x4 models.

¹Commercial Vehicle On The Road price includes delivery, number plates, 12 months road fund licence and first registration fee, excludes VAT. ²Leather and other materials. ³Driver side has auto up/down function, with pinch protection and timer. ⁴ADAS are driving support systems which may not operate optimally under all driving conditions or for all objects. The driver is always responsible for safe and attentive driving and observance of traffic regulations. See Owner's Manual for complete details on system operation and limitations. ⁵Manual & Intelligent Speed Limiter. ⁶SRS: Supplemental Restraint System. Must be used in conjunction with seatbelts. ⁷According to conditions, the Stop & Start system will automatically stop and restart the engine when the vehicle comes to a standstill to reduce fuel consumption and emissions. Contact your local Isuzu dealership or visit isuzu.co.uk for full details.
