COMBINES

After a busy harvest, keeping your machinery in top condition is essential. HFG offers two levels of Winter Pack-Up for any John Deere Combine.

On completion, you'll receive:

- A detailed inspection report
- A full parts list for the next season
- 12.5% OFF parts & labour when you book any follow-up service

Standard Pack-Up

- Comprehensive inspection
- Fuel system treatment with JD Winter Fuel Conditioner
- Coat all bare metal surfaces with corrosion protection

£549 +VAT

Premium Pack-Up

- Comprehensive inspection
- Fuel system treatment with JD Winter Fuel Conditioner
- Coat all bare metal surfaces with corrosion protection
- Hydrovane clean

£799 +VAT

Book now and make sure your combine is ready to perform at its best next season!

£449 +VAT

FORAGERS

Your forager works hard across multiple harvests: grass, wholecrop, and maize. So keeping it in top shape is essential. Hunt Forest Group now offers a single comprehensive Checkup for all John Deere Foragers.

Included in each Pack-Up:

- A full inspection report of Machine, Grass & Maize Headers
 - A detailed parts list to prepare for the season ahead
- 12.5% OFF parts & labour when you book any follow-up service

Book now to ensure your forager is primed for performance - Whatever the crop, whatever the season.

BALERS

£395 +VAT

Ensure your baler is ready for next season with a John Deere Expert Check covering over 50 critical checkpoints, your ultimate uptime booster.

After your Pack-Up, you'll receive:

- A detailed inspection report
 - A comprehensive parts list for the next season
- 10% OFF parts & labour on any service work carried out following your pack-up

Don't wait until the season starts – book now to keep your baler performing at its best!
